# Overview

- Shaping Attitudes *in the workplace* is a programme aimed at 16-19 year olds preparing for work placements and apprenticeships.
- This is an interactive programme aimed at improving their employability skills - addressing attitudes in *Relationships* and *Behaviour*. The section on Relationships looks in depth at Interaction, Challenges and Teamwork; while the Behaviour section focuses on Ethics, Risks, Time-keeping and other related issues.

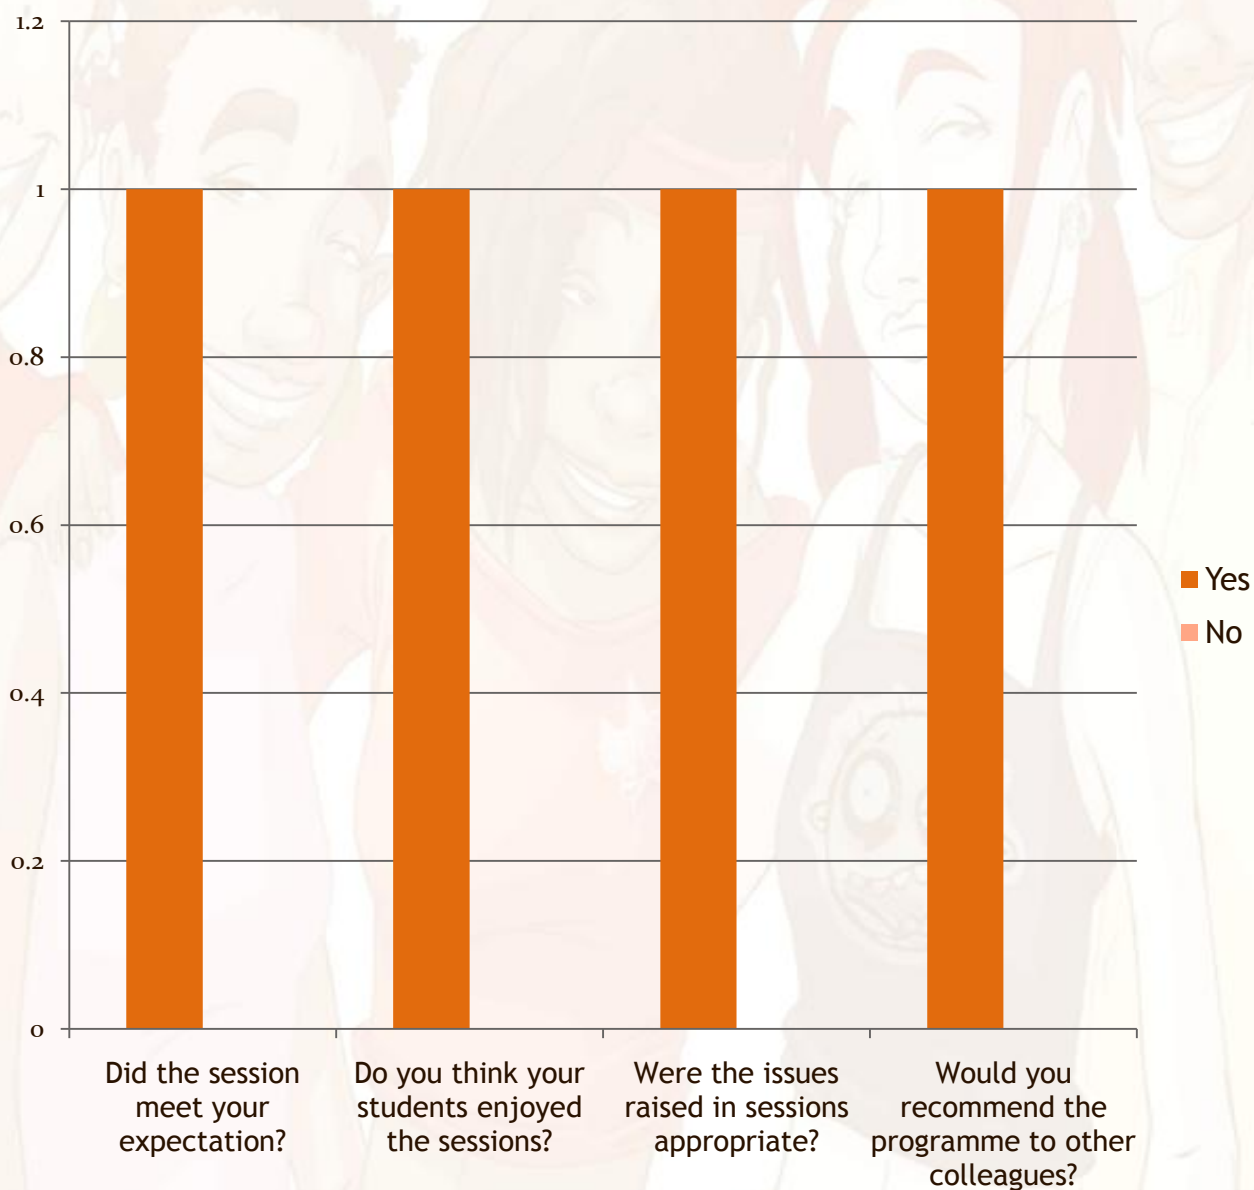

The session concluded with students asked to write out their goals under - financial, job, relationships and physical health for the next 6 months.

- There were 21 students who are part of Career Academies UK network.
